

## Christie Lea Watson

May 29, 1970 - September 14, 2014

Christie Lea Watson, age 44, of Jupiter passed away on Sunday, September 14, 2014 at her residence. Christie was born May 29, 1970 in Blairsville, Union County, Georgia but grew up in Jupiter, moving there as a baby. She loved the ocean, as well as the North Georgia Mountains and streams and she cherished family & friends in both places. She enjoyed being a well-studied and accomplished professional photographer. Her beauty and love of life was profound. The only thing more profound was the love she rained on all who knew her. Till the end, she set her sights on her children, always longing to hold them near. She was an amazing woman with great strength and will, a fighter. She is now at peace with God.

Christie is survived by her loving family including her daughters, Tiffany Graf and Olivia Graf of Largo, FL; son, Alex Graf of Largo, FL; grandson, Aiden; parents, Nita and Carl Gay of Jupiter, FL; brother, DuWayne Watson of Jupiter, FL; sister, Victoria Bradley of Jupiter, FL; and step-sisters, Teisha and Majenta Gay; as well as many beloved aunts, uncles, nieces, nephews and cousins.

There will be a memorial gathering for family and friends at the funeral home on Wednesday, September 24, 2014 from 4:00 – 6:00 PM with a memorial service to start at 6:00 PM.

“ I remember you as a neighbor and friend. Our children share many memories of sleepovers, dancing on the pool deck, BBQ's, and we had many fun nights at dinners and talking. You were so strong and positive when we talked just months ago. I know you are at peace with our Lord and Savior and the pain is gone. God Bless your family at this difficult time. We will meet again. I am certain our children will have more memories and I will think of you when I see them.

“ My sweet Christie, I will miss you for the rest of my life. You have been a blessing to me since the day you were born and I still remember the first time I ever laid eyes on you, just born and in a cardboard box. I knew right then we would never be apart. I have loved watching you grow and becoming the kind, generous, fun loving, most beautiful person you are. We always had an uncanny connection knowing when something was wrong. I remember you calling me the instant Trevor passed away. You felt it in your heart. I remember calling you the instant your truck left the road in an accident. We knew these things. I remember coming to Switzerland to surprise you and Duwayne for New Years. I remember every meal we shared and our long talks over coffee. They were the best! So many of my best memories have you in them. Ill never forget all our travels and road trips. You even called me spur of the moment to fly out to L.A. for the emmy awards! So full of life, so full of surprises. I remember when you had each of your children, how you waited for each of them to come, how to showered them with love and made each day as special as possible. All the holidays, all the Easter egg hunts we did all year , all the dinners and walks on so many beaches, our favorite ones. I will never forget. So many sleepovers with us and the kids having so much fun. I remember you always pulling up in the driveway to visit. I still think Ill see you pulling up at any moment. I still think the phone will ring and it will be you. You were always there for me. You were my go to person to call. You were kind and loving to my children as well and they will always remember you. I am do very thankful I was able to see you recently, never saying goodbye. This is still not goodbye, but more like " see you later" and I know I will someday soon. Leaving you there at the hospital broke my heart. You always had dreams and aspirations. Know you are missed sweet Christie. LOVE NEVER DIES!
