“ I only recently heard of Claire's passing. I worked for her and Jack for a few years in Jupiter. Claire was always warm, fair and kind to me. I recall that she had a great, hardy laugh. It's rather odd really, as Just last week I was in Brentwood TN, 10 or so miles from my home in Nashville, and there is a Miller's Ale House there. Seeing it took me back near 30 years and memories of Claire, Jack, Kathy, John and many others. I wondered at the time just where everyone was and what paths their lives had taken.

I was a part of their lives, and they of mine, for just a few years. However they remain memorable and a part of me. My sincere condolences to the entire family.
