“ *Connie was a sweet lady with a good sense of humor who loved her family.*

I met her back when Roe and I were at UC Santa; Gina and Jove were close to being toddlers and so was my son. The first time I met Connie she very casually gave me some needed advice on child rearing.

The last time I saw Connie must have been in 2007 or 2008. We talked about our families and then went to Mass together.

God bless her.

“ *I will forever remember Connie and my mother, sitting in our dining room, probably high 60's outside and they were both donning heaving coats.*

The two of them having lived in Florida for years, suffered when they came to Capitola/Santa Cruz. It was fun to tease them.

Rest in peace, Connie.
