

Daniel Lee TerMarsch

November 13, 2020

Daniel Lee TerMarsch, 75, veteran of the United States Army, of North Palm Beach, Florida passed away Friday, November 13, 2020.

He is survived by his loving family - brother and sister-in-law Wilton TerMarsch, Jr. and Elizabeth TerMarsch; nieces and nephews-in-law Bonnie TerMarsch, Jenny TerMarsch and Paul D'Ambrosio, and Wendy TerMarsch and A.J. Golda, and great nieces Rebecca Baker and Jessica Pettersen, and close friends he considered family. He was preceded in death by his parents, Wilton TerMarsch, Sr. and Helen TerMarsch.

“Danny,” as he was better known, had never met a stranger. He is known for his generosity, laid back demeanor, and love of fishing, hunting, and old western movies. A perfect day for him would have been on the boat with family or close friends.

Danny was co-owner of TerMarsch Groves, a family legacy in the South Florida area, working in the Florida citrus business since 1959.

He will be forever remembered for his smile that never left his face, big bear hugs, and back scratches. As a child of God, he will be remembered for his unconditional love of everyone.

An intimate family gathering for a celebration of life service will be held at Taylor & Modeen Funeral Home. Services will be private.

In lieu of flowers, please donate to your favorite charity or St. Jude's Children's Hospital.

“ Before his family move to Florida, every weekend Danny, Junior and I played canasta and button button while our parents played canasta, I think, in the dining room. A

After he moved to Florida, he picked up a deep southern drawl from one of his early elementary teachers.

I remember walking the beach with Danny and he didn't wear a hat. He came back after a very long stroll and he had a terrible sunburn.

But the thing that I will always remember about my sweet cousin is his huge and constant smile and the patience he had with me. Danny you will always be alive in my memory and heart. You left us way too soon. RIP DEAR COUSIN.
