“ *Danielle, I sure miss having you as a Facebook friend. All the time you took everyday to post pictures and comments of your church, family, friends, pets,etc. sure brightened my days. Was hoping that I would someday get a chance to see you. I'm so sad that you left so soon. I'll always miss you.*

“ Remembering the good old times with Danny . Girlie girl racing, mugs of hot chocolate, LL Cool J blasting on the radio, getting our nails done in Peekskill, her love for gardening, her love for Nanny, her love for all things Irish (which especially included me), her bodacious book of succulence, her her hospitality and most importantly her generous heart. May she finally be at peace any may God watch over her beautiful son.

Love,  
Sadhbh

“ So much fun growing up with Danielle. She seemed more of a sister than a cousin always being there and putting a smile on my face. Watching Golden Girls at nanny's on the weekend, summers spent at LBI. I pray you are in nanny's arms safe and at peace. Enjoy until we meet again. Frank

*There is a huge void in this world since you left. I love and miss you. You were the most generous loving person and I will always remember the great times we shared and all the joy you brought to this world.*
