“ *Danny was one of the most decent human beings I have ever met. Dan was a class act in every sense of the word. I worked side by side with him at Gladwin Bassett Construction Company for many years, and knew he very well. Dan was quiet, focused, determined, and dependable. I loved the man, and I am deeply saddened by his passing. The world is a better place because of Dan's presence here. He leaves a legacy of honesty, dependability, politness, consideration, hard work, and friendship. Dan I will deeply miss you your friend, Skip Gladwin.*
