“ *Hobe Sound has lost one of its most colorful, humorous, adventurous young men. This loss has impacted the entire Hobe Sound community, as I truly do believe our Hobe Sound children are the children of all of us. My own shock and grief is indescribable. It could have been any of our children....I can only continue to pray that with time your pain will ease and you will be able to laugh about the good times, the funny things, the best of days. I hope to see you both when your lives have settled down a bit, which probably seems impossible now. But peace will come, even though the sorrow will likely never leave. Love you both.*

“ *Darrell, you were a good friend you will be missed. I have a lot of fond memories of us spear fishing on your boat in Jupiter. Thank you for visiting me in the hospital in my time of need.*

“ When anyone loses a child, it is a tragedy. When it is one who's grown up in such a small town, it is felt by all of us. May you take comfort in knowing your Hobe Sound community sends you strength and prayers to help you with the loss of Darrell.

“ *Mary and Family,*

The entire Tuesday step aerobics class (Sandra's class) was saddened when informed of your loss. There was a noticeable pall over the entire class. We wanted you to know that we are thinking of you and the class will be making a contribution in Darrell's memory.

Mary, your step will be waiting for you when you return.
