“ *To the Van Houten Family,*

We just learned of and are so sorry to hear of Dave's passing. We were just enjoying the picture that Nicole posted on FB a couple of weeks ago of him with his new motorcycle. We were overjoyed to see that picture and were filled with hope for him so this is so sad. Our hearts go out to all of you, Jeanne, Nicole, JP, Amy and all of the family and many friends left to mourn the passing of a very special man.

We enjoyed being your neighbor and friend for these past 30 years. Your quiet wisdom and endearing sense of humor will always be remembered Dave. We know that you are in God's hands now.

*Love,
Donna & Jim*

“ *My beloved brother...from your sister... You'll never know how much I looked up to you when I was a kid and how I marveled at your dignity while you were suffering so much. You were so very courageous and brave. I love(d) you so much, and I know you loved me too. It's sad you left without saying goodbye, but God decided to take you while you peacefully slept. I will see you again someday. In the meantime, say 'hi' to Dad for me.*

“ Dear Van Houten family,

My thought's and prayer's are with you.

Dave was so special to me. Growing up I have such good memories of him.

Dave fought a courageous battle with cancer. I know how helpless you felt because I lost my brother Darwin to cancer when he was only 46. It's so hard to watch them struggle.

Jeannie and family, Aunt Lois, Carol and family my heart and love goes out to you.

“ Dear Ones.....

I was so sorry to hear that Dave has passed away. I really hoped and prayed that he would win the battle against cancer that he bravely fought. It broke my heart to hear of the unimaginable suffering and agony that he endured. He was in my thoughts and prayers every single day!!

But he's now free of pain and probably visiting with his dad and others who have passed on before him.... though needless to say, he will be missed by all who knew him and loved him!

When I think of Dave, I always recall him as being a shy, handsome soul with an impish grin and twinkling eyes that always made me think - "OK Dave, what's up your sleeve?". He was such a comical character - always made me laugh and was a joy to grow up with.

So Jeannie, and Aunt Lois, and Carole, and Pete ~ ~ ~ please know that even tho we live far away - and don't see you often, you are frequently thought of and will forever remain in my prayers.
