“ *Though it's been many years since I've seen your face, I would remember it any place.*

I was just a baby when we first met, but over the years I would never forget.

You always had a joke or a smile, even though I was shy for a while.

I knew you as Uncle Denis, my Papa's brother. I am so glad you were my Great Uncle, and not another.

You will be missed by all those you love, but I know you are looking down from above.

Please know that you are very special to me, and in my memories you will always be.

“ Sally, We wish we could be there with you at this most difficult time. Looking back at all the good times we had, (our nightly board meetings, drinks on the patio, golfing, our talks, the jokes Denis would play) all will be greatly missed. Denis will live on in our memories forever. Our thoughts and prayers are with you. Take care.
