

## Dennis A. Bessette

March 13, 1952 - February 3, 2022

Dennis Armand Bessette 69, of Port St. Lucie Florida passed away February 3rd after a long and courageous battle with cancer. Dennis was born on March 13, 1952 in Pawtucket, RI to Leo and Irene Bessette. He is survived by his daughter Bria Bessette, son Cory Bessette, daughter-in-law Karra Bessette and his four granddaughters Lilly, Piper, Maverly and Willow.

He was an amazing father who loved coaching his children's baseball and softball teams, taking them camping, and on family vacations. He always made sure they had everything they needed and more.

Becoming a Pépère (Grandfather) was one of his greatest joys. His face lit up every time he was around the girls and he loved spoiling them anytime he had the chance.

Dennis was a hardworking general contractor in south Florida for many decades. He loved his job and the people that he worked with. He would do anything for them at the drop of a hat. When not working he enjoyed fishing, shooting pool and watching NASCAR. He also loved his Corvettes, Harley Davidsons and Rottweilers.

Dennis left a lasting impression on everyone he met and will truly be missed by all that knew him.

“ *Dennis was the most kindness man I known  
He helped me when my husband passed. I would leave him a list of  
honey do's and when I went back to NY he would get it all done for  
me. Dennis was not just my contractor we became very good  
friends. I am so grateful that I got to pick him up for lunch. Dennis  
will be very much missed. Rest in peace Dennis.*

“ *Dénis was a great human being! I knew him for over 8 years. He  
was the guy I turn to when I needed a helping hand to take care of  
my Homes in Florida, including my orchids! He was always there for  
me like a friend! It is a great loss for the humanity! They don't make  
them like that anymore! Rest In Peace Dennis! I am sending you all  
my orchids to make your stay there in heaven more colourful!!!!*

“ My family met Dennis when he was hired to do contracting work on our house at least 20 years ago. He quickly became a lifelong friend and member of our family after spending nearly every day at our house working on the construction for several months. For years and years after the construction was done, Dennis would still join us for holiday dinners and birthday parties. He coached my softball team alongside my Dad when I was a kid. When I moved away to Tallahassee and bought my own house, he would come up with my Dad and work on it on long weekends with us. Dennis was loved by my family. To us he was always known as Uncle Dennis. He was a joy to be around and made this world a better place. I am so sorry for the loss his family is experiencing. He will be deeply missed.
