“ Dear Astrid & Steve,

We first meet Dominique when she was a tiny baby...we watched her for years to grow into a beautiful young woman..and we are so happy to have had the opportunity to see Dominique last year when she came to Germany for a visit.

No words can express our heartfelt sorrow for the tremendous loss you have to endure. We are with you in thoughts and prayers. May God grant you the strength you need to get through this sad time in your life. May He bring Dominique the peace that she so deserves. She will be missed forever!

“ I remember when Dominique and her parents moved into the house they built across the street from us. We invited her over to swim in the pool with my daughter and her friend...she was so cute and a little shy at first, but, it became a lifelong kinship of sisterhood. We will miss her, so much.
