“ *Don Lee Copeland Sr.*

“ *Don was my Dad, Papa to the boys. Copeland to a lot of others...*

He passed away after a long illness. Old Age. He lived a long life and a good life. I will miss him greatly. My Aunt Barbara compared stars and souls.... "Perhaps they are not Stars, but rather openings in the Heavens where the love of our lost ones shine down, just to let us know that they they are still with us. So when ever you need to feel your loved one, look to the stars."

I'm sure there must be many versions of this. But in my life, I've thought of those that I have lost and always have found comfort in the stars above.
