“ First and foremost, I would like to send my condolences to Mrs. Forehand. I am so sorry for your loss. There are not any words that I can use to express how I feel and saying sorry just doesn't seem to be enough. I have great memories spending many hours in your home during my childhood and today my heart is very heavy thinking of Mr. Forehand. Thank you for all the fond memories. I wish I could be there to give each and everyone of you a hug!! It will be difficult at best to move forward with your loss, but the memories that you have in your heart will be what gets you through each day. Loosing my own father was one of the most difficult things I have had to endure, but his love for his family and our memories together do get me through each and every day and the same will help you through the dark days ahead. My best memory of Mr. Forehand is of him sitting in his chair in his house in Terryville where I spend many, many days and he would ask Sandy (Baby Girl), can you get me a cup of coffee? and of course Sandy would get him a cup of coffee and he would reply, "Mercy and Buckets". I just thought that was the sweetest thing and I never forgot it. God Bless!!Pam

“ Don, you were a member of my family for a long time. You married my oldest sister, Stella way back in 1959. It became easy to think of you as one more older brother. REST IN PEACE. You've earned it.
