“ *I went to school with Dorean from 1968 - 1974. She was a beauty then and now lights up heaven with that same beauty. God only take the best.*

“ *I am an old, longtime friend of Dorian's. she and I had had lost touch over the years but I never forgot her, or stopped thinking of her. Recently, when Prince's death was announced, I immediate thought of Dorian as she and I were great fans of Prince. I began to research ow to possibly reconnect with Dorian and was very saddened to discover her passing. I'm so sorry to realize this 2 years after her passing..I will always remember Dorian and the fun and many laughs we had durin the years we worked together at Feldman and the many years following that we were friends..She was one of a kind; someone you just loved to be around..can't believe she's gone..rest in peace my friend..When Doves Cry.. “ I will remember her as the impish little girl who played with my younger brother Rick when they were growing up in Levittown, NY. The two of them used to go out Trick or Treating, sit on the front stoop and devour a full bag of candy and then set out for more.

For one of her birthdays I remember Dorian was washing one of her dolls in the bathroom sink. She turned to my little brother (they must have been all of 4 or 5!) and asked him if he liked her. When he replied "Yes" she rejoined, "Then shall we be married?".

She always liked her pet tiger cat - a big boy named Tiger.

As an adult she was great friends with my Mom, who I am sure is going to be devastated when she hears of Dorian's passing.

I am so sorry, Mark and Mary Jane.

I will always remember that little girl in Levittown.

“ My Brother just informed me of Dorian's passing. Not sure how he found out, maybe a Facebook friend, I don't know. I, we, were both saddened by the news and offer our condolences. Even though I hadn't kept in touch with Dorian, I did look her up in various websites with the hopes of re-connecting but was unable to find her. I remember her fondly as a warm, funny, intelligent and beautiful young lady. May she rest in peace. Regards Steve Rothenberg

“ *Deepest sympathy to all of Dorian's family and friends. I met Dorian through my brother-in-law, Marty Winston, who worked with her at the library. I enjoyed the times I was lucky enough to be in Dorian's bright light and big heart. My regret is that we didn't get together often enough. May she rest in peace.*

“ I will never forget Dorian and how she made an amazing impact on my life in the library. She was ALWAYS there for me when I needed her. She showed me how to be a great role model where we worked at the library and always brighten up a room with her smile. She was like a 2nd mother to me and will always have a special place in my heart! RIP Dorian

“ After 6 years next to her I wish that Dorian could be my good neighbor forever.

Last time I talked with her was regarding the soccer World Cup. She told me that she was watching and enjoying the event.

July 1st she left a bag of used clothes (still have it) with a kind note:

*"Dear Alex,
If you run in the winter this will keep you warm.
Love

I was best friends with Dorian in my later years in high school. I love her to death but would just push and push until she got her own way. She also had a habit of going after the boys or men I'd broken up with. It was a bothersome situation but she was absolutely the freaking funniest person I've ever known. I've very mad at myself for not trying to reconnect with her in her later years bc we did have a connection like sisters almost. We could make each other laugh for hours. She was also extremely beautiful and had a very fierce personality. She didn't suffer fools but was a great friend and we just lost each other in the world called life. It's a bad excuse but I loved her and will always miss her forever.
