“ Dear Aunt Doris, I will miss our talks on the phone, your wonderfully funny stories, and your laughter, good spirit, and love. You were the connection to my own mother, your friend from when you were young women, her maid of honor, and my godmother. I love you and will miss you.

To Stephen and Anthony, you were blessed to have such wonderful parents. I know you are heartbroken. I am thinking of you. Valerie

“ Doris was an amazing neighbor and an exuberantly classy lady. She was always smiling and full of energy. We enjoyed living next to her for 15 years and think of her often.

“ Stephen and Anthony, growing up our mom and dad always talked about their Army days and dad would do slide shows. They always talked about their Army friends, especially Doris and Tony. They came to celebrate the twins 50th birthday and we had a great time together. Our mom and Doris spoke once a month and we had lunch with your mom in Jupiter. So many good memories. We are thinking of both of you and hope your good memories sustain you. Sincerely, the Culp and Backes families.

“ Stephen and Anthony, on behalf of the Lagasi family please know that your dear mother Doris and her loving husband Anthony were cherished, lifelong friends of Rene and Josephine Lagasi. I know how proud Doris and Tony were of their caring, decent, and accomplished handsome sons. May your grief give you closure and allow a way towards a celebration of her life.

“ Doris had been a very close friend in highschool. We were almost like sisters. Though I haven't seen her in many years, I mourn her passing as though she were my sister (that I never had). RIP Doris. I will be saying hello to you when my time rolls around. ❤️

We were fortunate to spend so many holidays and parties with your parents over the past 33 years. They were immensely proud of both of you.
