“ *My parents were lucky to move two doors away from Jane and Wayne when they sold their house and settled into a condo in Turtle Creek. Wayne was a good friend and neighbor and an all around great guy. He was extremely thoughtful and a faithful pen pal of my brother JJ, who has Downs syndrome. Over the past two years, as my father's health has declined, Wayne would check on him, deliver his mail, drive him to doctor's appointments, etc. He was amazing! I'm glad I visited my parents often enough to be able to enjoy dinners and barbecues by the pool with Wayne and Jane over the years. Wayne was a great guy and he will be sorely missed by the Dudenhoefers.*

“ *In the 36 years we (George and I) lived in Jupiter, FL, I count Wayne and Jane as two of my favorite friends! They shared their faith with us as we worshiped at Christ The King Lutheran Church in Tequesta. I am sad that I cannot be there today to express our condolences and share our appreciation of their lives they lived so well. Wayne will be missed sorely by his whole family and all the friends who knew him. God Bless you all as you call upon the Lord to help you as you remember all the good times together. Thank You For Your Service, Wayne !!Sharing the faith.....with you ALL. Dixie McGaffick*
