

Edward Buddy Ellsworth, Jr

May 26, 1930 - October 29, 2015

Edward Ellsworth, Jr. (Buddy), age 85, of Jupiter, Florida passed away October 29, 2015. He was born in Danbury, Connecticut and was raised in Shelton, Connecticut. Having survived severe burns as a young child, he spent many years in and out of various hospitals, including the Shriner's Hospital for Children and Mercy Hospital in Springfield, Massachusetts. With great faith and endurance, he overcame his disabilities and moved forward to establish a very successful career in real estate. He spent ten years as a volunteer escorting the disabled to the shrine of St. Anne de Beaupre in Quebec City, Canada. He and his family moved to Florida in 1974.

He is survived by Barbara Ellsworth and his four children, Katherine Elsis, Betsy Ellsworth, Deborah Ellsworth and Patrick Ellsworth, as well as his seven beautiful grandchildren, Keira Elsis, Antoinette Elsis, Zachary Weiner, Joshua Weiner, Jordan Borek, Nicholas Borek, and Valentina Ellsworth. He is also survived by his brother and dearest friend, John Ellsworth and his two sisters, Regina Denice and Patricia Ellsworth.

We all rejoice and celebrate Edward's great love of life. We learned that all things are possible through faith and love. A memorial service will be held in Shelton, Connecticut at a later time. In lieu of flowers, donations may be made to Alzheimer's Community Care of Palm Beach County.

“ *I worked for his accountant in North Palm Beach and he was also the landlord of the building. The first time I saw Ed in the parking lot of our old building I was looking out the window and thought I saw the Wizard from the Wizard of Oz. He is and was such a sweet man to us when we moved into the new office. During the attack on the nation of 9/11 Ed was traveling to Connecticut but ended up being stranded in New York. We were so worried about him because we knew he was traveling that morning. He finally called into the office to tell us he was safe, needless to say we were so happy to hear his voice. I know when he came back he got a huge hug from me. I will always have a warm spot in my heart for Ed, the Wizard of Oz. (he knew I called him that). He will be sorely missed. I left the office and just heard today that he had passed, I am so sorry for your loss. Your father was a very big, kind hearted man to me and many.*
