“ So very sorry for your loss. Never met Mr Giles, but I know he was a special man to have raised such a fine family. Charlie you look just like your Dad.

“ We hear and read a lot today about "Servant Leadership". What it is, what it means to be one, and how we should conduct ourselves in order to be the servant leader God desires us to be. In the 30 years I knew Eddie; he was the model Servant Leader. He served his company, employees, customers, friends and family continuously; with love, kindness and a helpful spirit of a man who cared. He will be missed.
