“ *One of our favorite vacations were spent at Cable Wisconsin. We visited Al and Shirley's store and always had a good time with them. Years later Bob & I came back and when we walked into the store Shirley looked up from working on her books and said I know you. We always remembered them. Know that we will say a prayer for "Al" and keep Shirley in our thoughts*

“ It is with much sadness that I heard of "Al's" passing. I knew the whole family well and attended school with all 3 of the girls. Working at a resort in Namakagon in the early "70s", I was able to spend many wonderful times with the Kravick family. My sincere condolences go out to Shirl, Annette, Karin and Paula who made me feel like family. Love, Bruce

“ I knew him as Al & taught school in Drummond where he was a school bus driver & his children attended school, I had the distinct honor of teaching his children & knowing him & his family. He was always pleasant & well-liked. Lost touch in past years. Was able to talk some business with daughter about 1 year ago. Our sincerest sympathies to all of the family & friends.
