“ *Glenn,*

I was deeply saddened to learn about your dear Mother passing away.

I thoroughly enjoyed our long time friendship and have fond memories of working together on common causes when we lived in East Toledo.

There is not much one can say to ease your sense of loss, but I want you to know my thoughts and love are with you in this time of sorrow.

Rest in the knowledge that she is wrapped in God's everlasting arms.

“ Dear Mesteller Family,

Condolences on your loss. So many in East Toledo knew Eleanor because of the furniture store and because she was so active and generous. After marrying Karl Kish, I had the opportunity to know her better and I'm happy for that experience. She was special. Funny how one attaches objects to people but she gave us a rocker that I still cherish. It still rocks.

Know you have my supportive thoughts and wishes for strength and peace.

*Sincerely,

“ Glenn,
Our hearts were deeply saddened when we read of Eleanor's passing. We have many fond memories of her kindness and the times we spent with both her and John.

As we just celebrated our 40th anniversary we give thanks for the 40 year friendship we were so fortunate to have with your parents. They truly helped get us started in our marriage as we rented our first apartment from them and they helped us buy all our furniture. Memories we will cherish forever.

Glenn, you truly were a wonderful son and your mom never missed an opportunity to share that with others. They were so proud of you and so very grateful for all you did for them. God Bless You for Gentle Heart.

WE will make a donation in her name to Helping Hands of St. Louis in East Toledo.

Our deepest sympathy to you and your entire family. Your mom and dad will always hold a special place in our hearts. May she rest in peace.
