

## Elizabeth Kennedy

February 13, 1971 - April 23, 2023

It is with the heaviest of hearts that we announce the passing of Elizabeth Kennedy, of North Palm Beach, formerly of Westport, CT on April 23, 2023.

Our dear Beth will always be remembered for her welcoming warmth, beautiful smile, abundant kindness, infectious laughter, sparkling blue eyes, wonderful wit and her fun and funny personality. She was so very special to so many and you were always left smiling if you crossed paths with her!

Beth leaves behind her heartbroken parents Kathy and Walter and sister Karen, who will never be the same without her. Her passing has left many aunts, uncles, cousins and lifelong friends with so many loving and cherished memories of their sweet Beth. We pray and find some comfort and solace that she is now in the embrace of her Nan & Pop Wallace, Nanny & Pop Pop Kennedy and our dear uncles who called her to heaven too early. Words will never express the grief and overwhelming sadness her loved one's have been left feeling.

Rest in Peace dear Elizabeth.

We love you with all our hearts and until we hold you again.
