“ I'm so very sorry for you loss, She will be miss by so many. She was so cool. every time I would see her she would bring a big smile to my face. She was such a warm and kind person. I know Tom was there waiting for her with a big smile on his face. You now have another Angel to watch over all of you. Dotty has a glass of wine waiting for her, and I can just see them talking and laughing. I hope you all think of the good times and smile and let the tears go. I love you all so much. 🍷🍷🍷
