“ *What a terrible loss of such a wonderful man. Our families grew up together and I will always have the fondest memories of a good man who always had a twinkle in his eyes and a smile on his face. As a child I looked forward to his family's visits to Long Island and how kind he was to me. The memories of our families together are some of the happiest times in my life. He was such a funny man with such a big heart. I can only hope his family has some peace in knowing that he was a good man who touched the lives of those who have had the priviege of knowing him.*
