September 20, 2024

Erin Christine Morgan, 43, died on Friday, September 20 in Jupiter, Florida. Born on March 17, 1981 in West Palm Beach, Florida, Erin was the loving daughter of Robert and Suzanne Kuoppala, a caring sister to Jaime Kuoppala Stoll, and the devoted mother of Melea and Sydney Morgan.

Erin was a proud Floridian. She graduated from The King's Academy in 1999 before receiving a Bachelor's in Education at the University of Central Florida and a Master's in Education at Florida Atlantic University. She was proud to be a teacher and a business owner, but her favorite role in life was that of mom to her two beautiful daughters.

Erin was committed to her friends, her family, and her faith. She attended both Family Church and Grace Immanuel Bible Church. She adored music, swimming, sunshine, and her precious puppies.

She is survived by her beautiful daughters, Melea Morgan and Sydney Morgan, her parents, Robert and Suzanne Kuoppala, her sister Jaime Stoll, brother in law Vaughn Stoll, and her nieces Kate Stoll and Brooke Stoll. Her legacy of love, faith, and dedication will live on in all who knew her.

“ *In my mind, Erin was always very much just a part of our group. She was always so kind and so much fun to be around. I am so thankful for the privilege of knowing her. She was so special, and I will always remember her as the beautiful person she truly was. She is gone much too soon and will be dearly missed.*

“ *I had the privilege of babysitting Erin and Jamie when they were young. Erin was a beautiful little girl, so loving with a kind heart. There were special moments I had with Erin when it was her bedtime and i would tuck her in and listen to her say her prayers. I was heartbroken to hear of Erin's passing. Rob, Sue, Jamie and family my thoughts and prayers are with you at this time.*

“ I met Erin about eight years ago because our daughters became close friends at school. We became good friends as well. We had play dates together and celebrated birthdays, shared meals and theater performances with our girls, and enjoyed our own lunch dates together. She has the biggest, kindest heart. It was always evident what her passions were. She has a deep love for God, family, and animals. Family was extremely important and valued. She always spoke so highly of her parents, sister, nieces, brother in-law, and her truest and greatest loves—her precious and beautiful girls Melea and Sydney. She loves them both wholeheartedly and fiercely. Being their Mother is her greatest joy in life. Her deep love for Melea and Sydney is endless.

She will always be remembered as kind, compassionate, caring, loving, giving, and having one of the purest of hearts. I will never forget her beautiful smile and adorable dimples.

I will miss our chats and lunch dates, and will cherish the memories we made throughout the years. I send an abundance of love, strength, and prayers to her family. She loved all of you more than words can truly express. She will be forever loved and remembered as a loving mother, daughter, sister, auntie, and friend. I love you sweet friend and will hold you in my heart always ❤️🙏

“ Erin and my daughter, Katie, were almost inseparable as girls. I remember so well standing in my driveway every evening while Sue stood in hers to watch the kids as they walked home from an afternoon of play. We all went to Wellington Church and spent many happy hours there. Erin was so young, but it is so good to have the assurance that she is now in her Savior's arms and completely happy. We love you, Erin.

As we look back on prior years, our memories of watching our children grow up will be precious. Having them leave too soon brings beautiful but sad thoughts for parents and friends. I pray for you, Sue & Rob, as God Himself sustains you in your loss.

“ Sending Melea and Sydney, Sue, Rob, Jaime, Vaughn, Kate, Brooke and all of Erin's friends and family my deepest condolences. I cherish many memories of Erin but a vivid first memory of Erin was her big bear hugs when I would visit their home in Florida when in high school and finding her laughter contagious. May peace be with all of you during these difficult times.
