March 7, 2020

Felecia Clarke of Tequesta, FL passed away on March 7, 2020. Our noble daughter, a friend to so many, died after a long bout with cancer. She wanted those who knew her not to mourn but to know her release was into the arms of a loving and gracious Lord. Her life will be celebrated at a later date. In Lieu of flowers please make a donation to the charity of your choice.

“ *BJ and Fred,*

For as long as I can remember Flee has always apart of my life. We have laughed , cried and smoked cigarettes together. Hanging out in her bedroom chatting about life was a big part of my childhood. Her laughter was contagious. Her spirit was that of an old soul . I can see her face when she see Gary and can only imagine how happy she is. She was a treasure. She is at peace. Our paths will cross again.

Sending a big hug to you both , I love you guys.
