“ *Remembering Fran Wilkerson and her husband Roy. Does seem like 2 years has passed by. My Mother went to her shop to get her hair done weekly. Fran was such a lovely, gracious friend. I wish she was my Aunt but Fran and my Mother would talk regularly on the phone when she and Roy moved to Florida. Miss her very much. Thoughts and prayers to her family. “ *Dear Carol and Frances's brother Ang, my heart goes out to you. I just saw on my iPad that my dearest friend Fran went to join her Roy. We shared many things over 30 years. Not only was Roy the love of her life, but each and every one of her family meant the world to her. I met some of her family. I took Dottie and Fran on a luncheon Cruise on Lake worth. I brought Communion to Dottie many years. She was a a sweet soul. I went through the death of most of her sisters and brother Joe with her . She spoke well of her nieces and nephews and Godchildren as well she was fond of Roy's family. She was that kind of woman who spoke well of everybody. I've missed my friend since we've moved away these 7 years and we lost touch. However, I always remember our many years of helping and loving each other. Rest in peace my dear friend. I will see you again before long.*

“ Aunt Fran and Uncle Roy have been a part of our lives for as far back as I can remember. My grandmother, Dorothy (Dot), made certain that she kept these two as close to her, her children, grandchildren and great-grandchildren as she could over the years. Our family stayed with Uncle Roy and Aunt Fran on many occasions, feeling nothing but welcomed into their home with loving hearts, lots of laughter and wonderful times to look back on. I was fortunate enough to visit them for the summer of 1985 (my first trip alone) and I hold those memories very dear. My Granny Goose relocated to Jupiter to be near them once again and lived there for several years, being able to cherish her own memories. My mom, Diane, soon followed and was able to take care of them for several more years; I thank her for that. That time spent with them is very special to her, as well. Mom tells me stories of her childhood and her adult life; sharing many cups of tea, visits to Aunt Fran's beauty shop, long talks with Uncle Roy, walks on the beach, planting trees in their very well-manicured yard, many, many enjoyable dinners shared at the same table and so many more recollections that will be talked about over the years to come. Aunt Fran will be missed dearly, not by only us, but by all of us who she held dear to her heart...and there are many. Her sweet soul, kind spirit, contagious laughter and miraculous love will be a part of us forever. Rest in peace with your true love...we'll see one another again.

“ Fran Wilkerson was a good friend to my Mother (Doris Krencisz). Fran was her hairdresser for many years when she lived in Niagara Falls, New York. My Mother would call her frequently and always send her a Christmas card. I know Fran has a hard time when Roy passed. I called her when my Mom and Dad passed away in 2006 and 2007. Fran and her husband Roy were a wonderful couple. When I would talk to her on the phone she always was kind and thought of my as an adopted daughter. My sincere sympathies to all the family. What a precious dear friend. My prayers and thoughts are with her family.
