“ Francis Xavier Keefe

“ Our deepest sympathies to the Keefe family on Uncle Francis’ passing. He truly was a legend, a hero, and the epitome of the “Greatest Generation.” Uncle Francis also had a special way with words and I’m sure you all have a favorite Uncle Francis saying. Mine was “You’re twisting my head!” 🙄
It goes without saying that Uncle Francis will be sorely missed by his family, his friends, his fellow Veterans that he advocated for, and of course the people of Europe that he helped to liberate and sacrificed so much for during WW2.

Rest in peace Uncle.

“ *My deepest sympathy on the loss of Mr Keefe to all of you. When I heard he passed the first memory to pop in my head was the day Kim gave birth to Michael. I couldn't get thru on the phone so had to have an operator do an emergency call cut through. Mr Keefe said 'you better have a good reason for this Annie, I'm on the phone with my friend'. I said Kim was in labor and everything changed - he went from annoyed to excited instantly- a new grandkid was coming! (I was just glad I wasn't in trouble any more lol.) He loved all of you so much! Take care and remember that. Love always, Annie (Rogan) Maresca* ❤️🙏🇺🇸
