“ *Frank was always friendly and always seemed happy ,although he was always in pain near the end. He and I would share stories of different hospitalizations good and bad . He never complained . He was so proud of his family. He loved to show them off . He was seen dining with his family as many as he could get.He did so much for Jupiter and Tequesta for that he deserves a big THANKS. My thoughts and prayers are with the whole extended family. GOD BLESS Diane Wegrich*

“ *Sincerest condolences to the entire Broedell Family on the lost of Frank J. Broedell Sr. He was such an incredible man, father, husband and grandfather. He set the example for the rest of us on how to live life to the fullest! There wasn't really too much that he didn't do for his family, friends or the good old town of Jupiter. He lived an amazing life, raised a wonderful family, and was surrounded by love to the end. One can only hope to have accomplished so much and live such a full life.

“ Dear Broedell Family,

Greg and I send our sincere condolences for the loss of your family patriarch, Grandpa Broedell. We only saw him a few times over the 8 years Shon and Tory have been married but still recognized how much he was loved and respected by the family. Six yr old Gavin and 3 year old Ava sure did know who he was.

We appreciate how much he will be missed. What a list of accomplishments he made to his community!

*Sincerely,
Greg and Vicky Mack*

He certainly was a wonderful person. I worked for him in 1973-76 and was privileged to see him briefly several years later on a quick trip to FL on business. Was a warm and caring man who taught me many life lessons. Wonderful family!
