“ *Diane & family,*

I was very saddened to read about your Dad's passing; and your Mom's. I know you will keep your memories close to your hearts...

“ *My sincerest sympathy to the family for your great loss. I first met Frank and Grace where I grew up on Bradley St in Bridgeport, across the street from Marcia and Red. When I transferred to Florida with Sikorsky Aircraft in 1977, I was followed by the Poidomani's, who were then followed by the Plotino's. We shared many wonderful memories in our little piece of heaven here in Jupiter. Rest in peace Frank.*

“ *Dear Pop! You were the “real deal”! I am so glad that I met you and spent time with you at Francesca’s house. I loved calling you! We talked about so much. You stole my heart. I will truly miss you! God Bless you and let you enjoy your new life with your wife whom you so dearly spoke about. I wish I had known you FOREVER! In your absence on earth, I will be there for “your Tocky”! Love and miss you, Christine*

“*Frank and Grace were my landlords in the late 1980’s during my studies as an international student at the University of Bridgeport. I truly felt at home in their house, especially in the busy and noisy kitchen, and highly appreciated Frank’s valuable advices as a mechanic when my old Ford station wagon failed to move. Dear Frank, Rest in Peace! Your “German son”, Andreas*

“*So very sorry to hear of Frank’s passing but I know he is with his beloved Gracie and in a much better place with Our Lord Father. He was a good friend right to the end and he will be greatly missed by us all. Love and prayers to all of “his girls” and their families. You had a wonderful and very loving, caring father!*❤️🙏😊
