

Frankie Altrui, Jr.

February 27, 1986 - July 22, 2016

Altrui Jr., Frankie, born February 27, 1986, passed away July 22, 2016. Barely 30 years after Frankie's entrance into this world, he now rests in the arms of God surrounded by family and friends whom passed before him. Frankie was born in Rutland, Vermont just before dawn with winter temperatures near zero. Within minutes Frankie was bundled and placed in the loving arms of his parents and big sister. After high school Frankie moved to Jupiter, Florida and worked in the family business. During his short time on earth, Frankie touched many lives and cared about his family and what he referred to as his "real friends." He was loved and he loved. Frankie is survived by his devoted parents, Frank and Roxanne Altrui; caring sister, Jessica Altrui Ross; loving grandmother, Frances Felkl; two step sisters, Tami Napolitano and Jodi Caggige. Also left to grieve are many aunts, uncles, and cousins. "It can take years to mold a dream...it takes only a fraction of a second for it to be shattered" by Mary E. Pearson.

“ There has been so many memories, Its hard to just name one. I think the best memory is when you first came to visit me in Orlando and we went to Aqautica Water Park..Remember we waited for like 30min to make it on top of the extremely high water slide. Those 2 little kids kept calling us punks cause we were so scared...And eventually you just walked down the stairs lol. I couldn't let those kids think they punked us so I took it for the team and rode down that scary slide SOLO... I never let that slide with you..I would just randomly text you to make fun of you...you said that always made you laugh. Thank you for always being such a good friend to me...whenever I go to South Florida now i will feel like a piece of me is missing because most of my memories included you...I know you are at peace now..Fly high Franki RIP I love you....

“ It's such a shame GOD called you home at the young age of 30, he must have bigger plans for you.. I find comfort in knowing you aren't suffering any longer. You will be missed, Frankie!
