“ *Tia Gabriella, a most favorite aunt of mine, leaves memories that run very deep. No matter how busy her life was, she always opened her home to her brothers, sisters, nieces, nephews, family and friends with a welcoming embrace and that twinkle in her eye. Eager to make sure you had enough to eat, a bowl of soup, or a slice or homemade bread was offered or a glass of wine to encourage you to stay as long as you could. She provided an oasis that will be missed by all of us.. "The last warrior" as Maria stated will leave memories that last a life time-may she now rest in peace. Julie Sardinha Folden*
