

George Alexander McNeill

November 14, 1929 - August 20, 2016

George Alexander McNeill born on November 14, 1929, passed away on August 20, 2016. He is survived by his partner in life and loving wife of 64 years, Margaret McNeill. He is also survived by four children: daughter Jan McNeill (husband Frank Griffin), son J Cameron McNeill, daughter Laurie Lee (husband Doug Lee), and daughter Kathryn Matlack (husband Duncan Matlack). His grandchildren include: Jamie Griffin Goeres (husband Bryson Goeres), John Griffin (wife Veronica Valero Griffin) and Abigail Matlack, and Elliot Matlack.

George lived a full and energetic life right until the very end. Affectionately known as the "energizer bunny", he loved the outdoor sports of hunting, fishing, wind surfing, scuba diving, water and snow skiing, and especially tennis. He imparted this love to his family and many family vacations spent doing these activities.

George spent his first 32 years in Canada. Born in Calgary Alberta Canada, he grew up in Edmonton Alberta. He attended his beloved University of Alberta and earned a B.Sc. in Electrical Engineering. In high school, he met the love of his life Margaret. He later proposed to her at the top of a snowy ski hill and they were married September 20, 1952. George worked 10 years in Canada and then sought more challenge and opportunity by emigrating with his family to the US. He then worked for Monsanto Chemical in Alvin Texas and Springfield Mass. In 1972, George and Margaret became the proud owners of the Riverdale Gardens Nursing Home in West Springfield MA. They

sold their business in 1988 and retired, spending their winters in Jupiter FL and summers in East Otis in the Massachusetts Berkshires.

George continued to stay very active in business. He and his son Cameron became partners in owning an apartment complex in Houston TX. George also expanded his apartment property ownership via multiple facilities across the US. He loved the analysis, development, and improvement phases.

George was known for his philanthropy and community service. He belonged to both the Jupiter FL and West Springfield MA Rotary Clubs. He spent many a day helping on Rotary Club projects - especially the Jupiter/Tequesta boy scout camp. He and his wife Margaret encouraged their children and grandchildren to become involved in and give back to their communities.

George and Margaret spent 67 happy years dancing, fishing, traveling, and laughing through life with their family and friends.

George was preceded in death by his parents George and Alice McNeill , mother Nora McNeill, and his grandson Robert Griffin.

Margaret and her family extend their deepest appreciation to the doctors and staff of MD Anderson Cancer Center in Houston for their compassionate care that George received during the last couple of years of his life.

“ *Ms McNeill, I was sad to hear of the loss of Mr McNeill from Jan. I always loved and admired the closeness and dedication that y'all had for each other and the bond you had for your family. He was a great man who could be looked up to with respect. Each time I use my cookbook that you gave me I think of y'all. My thoughts and prayers are with you. Barbara Springer*

“ Margaret and Family, So sad to see this pop up when searching for your contact info on line to let you know that my Mom passed away on Sunday. We will be out in Western Mass. on Saturday for her funeral and will think of all of you on Sunday when you're remembering George in Otis. He was an amazing person, and my parents cherished all the fun times they had with you both over the years. I, too, have wonderful memories of boating, swimming, water skiing on the lake in Otis. Dad will be especially sad to hear of George's passing. He lives at Wingate at Boylston Place in Chestnut Hill, not to far from my home in Wellesley. Once again, heartfelt condolences from my whole family. Sincerely, Julie Koeninger

“ We did not know George during earlier years, but when we did become good friends in recent times, George was a role model in how to age with energy, charm and grace. We will miss his friendship.
