“ I went to the Wible compound in Daytona yesterday to visit Jim and George only to discover that George had passed away five months ago. Lynn, Buddy (chocolate lab) and I spent many hours visiting and telling tall ones at the C and C Campground at the Talladega Super Speedway over the last few years. Buddy especially remembers the bacon he used to get for breakfast. I miss delivering a pan of biscuits on race day mornings and of course the "shine"! George will be missed. May he rest in peace.

“ George, our friend, shared many many fun times as our campground racing neighbor in Talladega, along with his brother Jim. Our memories will last a lifetime and will live on in the stories we tell of our adventures. May God take you to heaven and give strength and comfort to your family and loved ones. We will miss you George, but no one more than your brother Jim, who just told us of your passing.

“ Over the past eleven years we shared many months of RV travel with the Wible's. From Nova Scotia, Newfoundland, Boston, Florida, Georgia, New Mexico, the Dakotas, Wyoming and Canada, Wisconsin and Michigan, to name a few places we have been together, George was always the first to volunteer to help someone in need. He was always a cheery companion too at our Happy Hours and BBQ's. We are thankful for all of the happy memories. Our deepest condolences to all the family and friends that will miss him dearly.
