“ *Karen,*

I'm very much saddened to learn of Paul's passing. The words sympathy or condolences seem so inadequate in expressing my emotion for you at this sad time. I pray that thru the love and support of your family and friends that you may be blessed with the strength to endure the pain and sorrow in the loss of your husband.

We have shared so many fun times and it is hard to believe how the years have passed. Eddie still laughs about camping out on the C-18 with the shooting stars and the herd of cattle, but Paul some how slept thru it all; or building the raft for JES and sinking in the intracoastal waterway. While we will miss his dry wit and smiling face, we have a life time of memories to remember him and the awesome friendship that started on a soccer field so many years ago. You are all in our thoughts and prayers.

Love from the Bohne Family
