“ I am deeply sadden to hear of George's death! A friend of George called the parish asking for a Mass card and, that is how I found out. I am truly sorry to hear of his death.

*George was a true gentleman. My last two memories of him will be when he brought his dog to the parish on the feast of St. Francis for the annual blessing of the animals. My other last memory of George will be as he was leaving Mass on Sunday, the week he was leaving for Florida, we chatted. I remember saying to him, "God bless George and I will see you when you get back in spring." Now it will have to be when we see each other in the Kingdom of God.*

*I will miss George. He was faithful in his attendance at Mass. He had a kind heart and I had the greatest amount of respect for that man. Mary, George will be remembered at Mass. We will keep you and your family in our prayers as well*

*Rest eternal grant unto him O Lord.  
And let light perpetual shine upon him.  
May his soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen*

*Pax Christi,  
Fr. Russ*

“ George was a tremendous professional and good friend. He taught me so much when I joined Schering-Plough and I was privileged to go to many NY Giants games with him and Mary over the years in the 1980's and 1990's. A great golfer and a funny guy. He was always admired at work for his knowledge and his ethics. He cared for his staff and built a good team and always fought for them with the often difficult senior managers above him.

*He truly loved his wife and just liked to have a good laugh with a beer when he could.*

*He will be missed but leaves the kind of legacy many can only hope for.*
