“ *I just learned of Glenda's passing and wish to pass on my sincere condolences. I had the pleasure of knowing Glenda for many years through my affiliations with the Stevens family. She was a wonderful and classy lady with a tremendous spirit and a zest for life that was second to none. I always admired her humor and how she cherished her family and friends. We had many interesting chats and she was always keen on what was going on up in Canada. But most of all, I know that she adored her children and grand kids and all the extended families. My thoughts and prayers go out to all of you. Kind Regards, Doug Schindler*

“ Will always appreciate Glenda's hospitality to my brother and I when our mother passed. She adopted us and gave us a port in the storm. I will miss my second mom.
