“ *I have had the honor of knowing Mrs. Russo (She would tell me to call her Helen, but I couldn't bring myself to call her that) since I was a young teenager. She was someone who always made me laugh. I was lucky to know her and be the recipient of her love, which she seemed to extend to everyone. What a Lady! I will always hold her in my heart.*

My other Mother! That is what I called her. I loved her like my very own and she loved me like her very own. She was the most Jesus loving, caring, strongest woman I have ever met. Her smile when she was happy was the best thing ever. Her sense of humor, her honesty is something that could always be counted on. She was the most giving person of herself and all she loved. Her heart was wider and her soul deeper than any I've known. Heaven has definitely added another angel. Rest in the arms of the Lord Mom, it's what you have strived for your whole entire life. I know you'll be praying for and watching over all of us. THANK YOU FOR LOVING ME!! I am going to miss you more than words could ever begin to express. My love forever & ever, Gloria Oster

Having met Helen only a handful of times, it was as if I knew her a lifetime. She was a joy to be around, smart, witty, always made me laugh. She loved Jesus and her family and talked about both as any loving mother would. Rest in Heaven, Helen, say hello to Jesus and everyone for me. Toni, Doug, Helen, Emily and the rest of the family, love and prayers to you all. Helen truly was a blessing to everyone. ❤️

Love always, Carly
