

Helen Marie Tanjala

December 3, 1962 - April 7, 2022

Helen Tanjala of Jupiter, Florida, passed away on Thursday, April 7, 2022 at the age of 59.

Helen was predeceased by her mother Helen Russo and brother Oreste John. She is survived by her daughter, Emily Tanjala, and her siblings Linda, Kathleen, Arthur, Barbara-Ann, and Toni.

Helen had a great sense of humor. She loved cooking, reading, watching horror movies, traveling and the outdoors; but especially enjoyed playing a good game of solitaire.

Helen was intelligent, graduating high school early and went on to get a bachelors degree in Biochemistry. She went on to make great strides in the pharmaceutical industry. Helen was also artistic, she was delicate with a pencil, allowing for beautiful sketches of portraits and cartoons.

Helen was a devoted mother, daughter and sister. She loved fiercely with all her heart and persevered through even the toughest storms. Helen was selfless even in her last days, always asking how others were first. She was a thrillseeker of types, always rushing to do the fastest, highest coasters; even if she was riding them alone. She loved living for every moment.

“ I have a picture drawn by Helen in my music room / man cave. It is not a drawing of my likeness, it is a portrait of my soul. So lucky was I to have had such a friend.

I recently came into possession of a short story written by Helen maybe 40 years ago. It is written with the simple clarity of Dickens and the existential weight of Kahill Gibran. It is a story, based upon our friendship, of a bird ("Byrd") who develops a deep friendship with a talking rock ("Roc"). They grow ever closer and seek meaning together. Suddenly Byrd flies to close to the sun and is shot out of the sky, swept away from this earth. Roc can't understand it, he can't cope. Byrd finds a way to leave Roc this message: "It was worth it ROC is all I can say. If it had been but a second it would have been worth it. Every precious moment, a gift".

I love you Byrd.

For Helen Marie Russo, whenever I may find you.

“ I met Helen years ago when we used to hang out at Toni's pool. She was funny, witty and we had fun relaxing by the pool with the kids. She was such a devoted mother, always thinking of Emily first. Emily has grown into a such beautiful young lady, I know Helen is so proud of her. Rest In Peace, Helen. Emily, Toni & family, you are all in my thoughts and prayers. God Bless.

“Helen was my Chemistry lab partner in college. We became the best of friends and over the years we became a part of each other's family, joining in for barbecues, birthdays, graduations and weddings. Helen was intelligent, talented and loved to have fun. It's heartbreaking to know how much she suffered in the last days of her short life.
Heartfelt condolences go out to daughter Emily, siblings Kathy, Linda, Barbara, Toni, Chris and to their extended families.
Rest in peace, Helen

“ *My mom was a strong, fierce woman who loved hard and lived life for the moment. She was so intelligent and talented, her drawing talent was always something i envied. My mom loved walking and hiking and traveling and doing everything her heart was set out to do. She loved horror movies but also the sappiest of RomComs too. She was an amazing woman and she will be so dearly missed. Rest in peace, mom.*
