“ I had the pleasure of meeting Henry only perhaps three or four times, as a caregiver with Comfort Keepers. It was an honor to be in his company. He served our country with honor and distinction. He always talked about his beloved wife Gladys and his wonderful children. He was proud of all of you. I loved the stories of his courtship with "Glady", her getting her airplane pilots license, etc. May you "Rest in Peace", Henry. You and Glady are together with the angels.
