“ *Ethel, My first wife sent me a note about the passing of Buddy. It is always very hard to loose someone you spent so many years with. I lost my 2nd wife to cancer 4 yrs ago. I moved to Venice and live with her cousin. I know Buddy is with the Lord and in a better place. My prayers are with you and your family at this time. I still remember having a lot of fun at Carlisle with all of you all. My love to you, Kenney*

“ *I couldnt begin to say enough about buddy. He was such a great man to me. I'm very glad he gave me a job. I learned so much from him at an early age as a teenager. He was always there if I had a problem or needed his help. He was probably one of the hardest working men I've ever met. He showed me that family means everything. You will really be missed buddy!*
