

Hurant Tavy Tavetian

June 14, 1914 - June 23, 2013

Hurant "Tavy" Tavetian, a WWII Navy veteran, and husband of his beloved, departed Joss for 66 years, passed from his Tequesta home to join her, as the Quiet Birdmen would say, "going west" on June 23. They lived in NY and Ohio, moving to Florida in 1975 after his exemplary career with the Federal Aviation Administration. Over his 99 years, Tavy enjoyed teaching flying at Stuart airport and golfing. He was a proud Mason, and was held in high esteem for his Tequesta Country Club board leadership, condo association contributions, and his willingness to assist any neighbor in need of a hand.

Tavy is survived by his sister, nieces and nephews, best friend, and devoted caregivers. All of whom will hold him in their hearts forever.

A memorial service will take place at Riverside Memorial Park in Tequesta on July 17 at 11:00 am. In lieu of flowers, kindly make a donation to the charity of your choice.
