“ Dear Linda and Family,

I have not been able to stop thinking about you since I got the E-Mail from Bob, that Jack had passed away. Jack was such a great guy, and he was a wonderful friend. We have a lot of memories of fun times!

Linda, I had not talked to either you or Jack in such a long time., but I have thought about you often. In fact, the apartments where you and Jack lived in Fairfax, are still there, and not far from where I live now. I remember both of you every time I pass them! Recently, Bob has kept me informed on where you have been living, and told me about Jack's recent health issues. I am so sorry that all of you had to go through those struggles. Please remember that our thoughts and prayers are with your entire family.

Jack was one of the “big boys” on the football team in the late ‘50’s. It was my good fortune to have played with him.

Have thought of him, Sam Hooper, Larry and Gordon Crowdis and the others of a great time in Terrier history.

“ Linda and Children,

When Mike sent me the e-mail that Jack had passed away my thoughts and prayers were for the entire Kippenberger family. Jack and I were college roommates at Washburn University when Jack was attending Law school. The times were in the mid sixties, we were free as a bird, not a problem in the world, but one thing was very clear, we always took care of one another. We laughed until we almost cried and cried when things were not going so well. One thing I will always remember about Jack and Mike was our commitment to one another. We often visited The Dutch Goose, a place where liquid refreshments were sold, we never had two nickels to rub together, but somehow found a few bucks to buy a beer and a hotdog. Mike often said the bank where he had a checking account thought The Dutch Goose was a bank since he cashed so many checks there. Jack and I have not seen each other in over 40 years, we started e-mailing each other and it was as if we never left Topeka. Memories, I have so many of Jack it would take an author to write the stories. One thing I will always remember about Jack was his loyalty to his friends. When Jack was in his first year at law school he asked me where he should go in the law enforcement agency. My dad was an FBI Agent, and was extremely loyal to Mr. Hoover. Jack asked dad where he should apply and without hesitation dad said, "Jack, go into The Secret Service, it is a great organization." The rest is history. When Jack was struggling with his cancer we started e-mailing each other and we gave each other encouragement. Jack has been in our prayers ever since I learned of his illness. I kept sending him things that would bring laughter to his life, God bless you, God had a reason for taking Jack, why, who knows, but there was a reason. If you keep that in your thoughts your sorrow hopefully will be understood. You guys take care of Mike, he was so close to Jack...

“ During the 1980 Presidential elections Jack was my Shift Leader on the Ted Kennedy Detail. He was always very thoughtful and considerate of all the agents, especially when it came to family.

I'll never forget the Christmas when Kennedy went to Florida and Jack and his lovely wife, Linda, had the entire Detail over for Christmas dinner at their home. It was an act totally above and beyond the call of duty. It made a lasting memory for me, and eased the difficulty of being away from home at Christmas.

You are all in my prayers. There is nothing that can prepare us for the loss of a loved one. A favorite thought of mine is "Earth has no sorrow that heaven cannot heal". God be with you at this difficult time.

“ The times at the "Nall" house were great fun. Jack wanted everyone to sing. We all spent many hours learning to sing "The Auctioneer".
