I will remember Jack as a kind and caring man who made my Aunt happy. He always made you feel like whatever you was saying was interesting. I remember when they came up to visit my Mom and Dad the four of them sitting on the deck talking and laughing. Just an easy guy to get along with. When we went to Florida he invited to their house and showed us the beautiful memories he had of his beautiful wife. I am sure they are happy together. I am glad to have known him. R.I.P. Jack
