“ *Lisa and family,*

So sorry to hear about your dad. My memories of him are of when you and John were first married and he would come over and work on things around your house. He was always nice to be around and gave a smile.

It is reassuring that he is now at peace.

Prayers to you and your family,

Love, Lynette (Myers) Levy and Rob Levy

“ Our Dad was a good man. He was always helping someone, including us. He couldn't help fix something he didn't know about. He provided for us in ways we never knew. Dad's guidance and wisdom is showing today. Dad was proud of us and he loved each of us. We all make mistakes and hope for forgiveness. If we tripped and fell Dad may not have picked us up as he knew we needed a little dirt or scrape as a reminder. Dad ~ we knew you were in good hands these last 5 years with Courtyard Gardens, Home Instead and Hospice. To quote a wise man It's a hell of a way to live. With your wink and a smile you are finally free to make the journey to do what you do best.

“ Jim was the kind of friend most people only dream about. He was always ready to lend a hand when asked, He delivered food to Belle Glade until it was no longer safe for him to drive. He encouraged everyone to be their best, not by words but by example. Jim was a man of action and was always doing something for someone else. It has been my honor and privledge to have been counted as his friend.
