“ *Gayle and Jim introduced Bonny and me to CW BBQ a few years back. We have become addicted to the place and will always remember Jim every time we eat there. Over the past 4 years Jim would include me in almost every event that came along. I know he always enjoyed our Airshow party and came up to Stuart to attend each year. We will miss him and his memory will continue forever.*

“ Gayle and JP-I just saw Jim's obit in the Fond du lac paper. I am so sorry for your loss and for JP's loss of his father. It was such a gift that JP had his father as long as he did, but it is never long enough that a loved one is in our life. I am so sorry for your and JP's sadness and grief. Gayle, I am retired and living back in Fond du lac now and think of you and your family often. My condolences to you all.

“ I met Jim when he worked at CMP Yacht Sales and I called on them for client referrals. Jim made me feel like old friend right from the start. He had that way about him. I so enjoyed visiting with Jim and hearing stories about his offshore racing days. He truly will be missed! My sincerest sympathies to his family.
