

Jane Ellen Powers

November 27, 1952 - January 31, 2023

Jane Ellen Powers, 70, of Jupiter, FL passed away on January 31, 2023. Jane was born in Reading, Pennsylvania to Ernest Follweiler and Helen Leiby Follweiler on November 27, 1952. She graduated from Kutztown University with a Bachelor of Science in Mathematics and later went on to earn a Masters in Mathematics. She spent her early post grad years as a math teacher. Soon after, she joined GE as a software engineer and she pioneered women in technical roles and remained with them for decades as the company transitioned into Martin Marietta and finally Lockheed Martin. Jane was a social butterfly, beloved by her devoted family and a wide circle of friends. Jane loved boating around the Chesapeake Bay and Florida coast with her late husband Larry Powers. Later they traveled the country in their RV, visiting family and friends every step of the way. Following retirement she spent time cultivating her many interests and friendships while she spent time knitting, visiting grandchildren, and taking water aerobics classes, to name a few. She was also an active member in the Botanica Neighborhood Association. She will be deeply missed by all who knew her. Jane is survived by her son, Jonathan and daughters Laurie, Debra and Jaime; grandchildren Henry, Sadie, Trystan, Vivian, Brayden, Liam, Terin, Annika, Elsa, Johanna, Curran, Wesley, Shai, Katja, Autumn and Lylah and her sister, Barbara Roth (Fred). “ *I was Jane's finance manager on many classified programs. She was the most caring person along with her husband Larry I have ever worked with. Now she rests with the love of her life Larry. Blessings to her family. She will always be in my thoughts and prayers as I was very priviledged to work with her.*

“ Jane was truly an amazing woman and the most wonderful neighbor. She was kind, caring, and creative. She loved life and having adventures, even after the passing of her beloved husband and best friend, Larry. She was always so thoughtful and always kept an eye out for us and all of her Botanica neighbors. I will cherish our conversations and her kindness. My deepest condolences to her children and grandchildren, whom she loves so deeply. May she Rest In Peace.

“ I was privileged to call Jane my friend for the last 40+ years. We met at Leeds & Northrup in North Wales, Pa and both ended up at GE working the same group. Our friendship started with a simple invitation from Jane to a dinner at her home & grew from there. We shared many good times and some sad ones too. To say i was stunned and heartbroken when i heard about Jane's passing is an understatement. She was a kind person, successful professional, and loving mother, nana, sister, friend. My deepest condolences to jonathan, barbara, laurie, debra, jaimie and your families. i wish i could be there in person to celebrate her life but know that i am there in spirit. I miss you my friend. Rest in peace. love, Gail

“ I was fortunate enough to be one of Jane's colleagues at LM when she came to the VA area. Over the years we talked about many things work related, but when we touched on family she always lit up. Her focus on family and friends were hallmarks of who she was as a person. She will be missed by all who were privileged enough to know her, but is now at peace with the love of her life, Larry. Rest in peace my friend!

“ Rob and I were so sad to hear about Jane and want to extend our condolences to the family. When we lived in Botanica, Jane and Larry were so welcoming and we were honored to be their friends. I admired Jane for trying to move past her grief when Larry passed, and finding her independence to travel solo to see friends and family in her mini RV. We shared a love of our pups and Jane was a wonderful dog Mom to Chester, Hannah, and Gretel. I picture Larry and Jane and past pups traveling once again in a RV in Heaven. She will be missed

I am so sad to hear the news. Jane was very friendly and sweet. I have known her most of my time here in Botanica- my thoughts and prayers to her family. I told her how cool she was driving an RV 😎

“ I was fortunate to know Jane (and Larry) the past 10+ years. Jane was the most thoughtful, loving, and kind person I have ever had the pleasure to know. We will miss her greatly and no one will be able to take her place. The community of Botanica has truly lost a wonderful individual. Her drive and enthusiasm for life (and her dogs) will be greatly missed. I am eternally grateful for the time we spent together. I hope you and Larry look down and are comforted by the Christmas wreaths that will adorn my house for years to come in memory of both of you. May you rest in peace.
