

Janice (McCone) Hebb

April 25, 2017

HEBB, Janice (McCone) of Bloomfield, formerly of West Hartford and Westerly, Rhode Island, died peacefully on April 25, 2017 after a long battle with Alzheimer's. She was surrounded by her family. Born on July 24, 1938, Janice was the daughter of the late Henry and Helen McCone of West Hartford and sister of the late Nancy McCone Morse. Janice grew up in West Hartford attending William Hall High School and graduated from Marjorie Webster College in Washington, D.C.

Janice was a member of the Junior League of Hartford where she gave many hours of volunteer time. She loved her bridge games, gardening and playing the piano. Janice was a huge Hartford Whalers and UConn Women's Basketball fan, and was an avid reader but her greatest love was her family, whom she nurtured and cared for with great passion. She had unconditional love for her husband, daughters and grandchildren and nothing made her happier than to surround herself with her family on the cabana beach or around the dining room table.

Janice leaves behind her devoted husband of 58 years, Edwin G. Hebb, Jr., who remained by her side every step of the way as she battled her disease. Janice will be greatly missed by her three daughters and seven grandchildren: Jennifer Daukas and her husband Nicholas of Glastonbury and Jennifer's children Molly and Sarah LaRose, Sarah Quirk and her husband John of

Falmouth, Maine and their children Madeline, Meredith and Johnny and Ginger Lynn and her husband Robert of Glastonbury, and their children Garrett and Katherine. Alzheimer's disease stole a lot from Janice, but it never touch her kind spirit.

Her service will be on Monday, May 1, 11:00 a.m. at St. James Episcopal Church, 1018 Farmington Avenue, West Hartford. In lieu of flowers, gifts in Janice's name may be made to the Alzheimer's Association, Connecticut Chapter, 200 Executive Boulevard, Suite 4B, Southington, CT 06489 or <http://www.alz.org>. “ For the past few years, I had noticed that I no longer received a Xmas card from Janice, but I had no idea of her declining health and her passing until today. In the 7th and 8th grade, Janice was my very best friend. We did everything together, including many overnight stays at our two houses in West Hartford (LeMay Street and Newport Avenue). When Janice took up the viola, she encouraged me to do likewise, and I did. When Janice went to Camp Asto Wamah in Columbia, CT, she urged me to do the same, and I did. That resulted in many happy summers for both of us. I will attached a photo of us taken at that camp in 1952. Janice and I last got together for lunch around 15 years ago at the Newport Creamery in Rhode Island. We talked as if no time at all had passed since our school days. She was a kind, funny, and wonderful person. I offer my warmest sympathies to Janice's beautiful family.

“ Ed, Jennifer, Molly, Sarah and family, We were so sorry to hear of Janice's passing. She was a wonderful and kind person. We have so many fond memories of our summers at the beach, especially conversations about our kids. When reading Janice's obituary I realized that we both graduated from Marjorie Webster in DC. What a small world. Janice will be missed, but will always remain in our hearts. You and your family are in our thoughts and prayers. Joe & Susan Brocato

“ Ed, We were sorry to hear of Janice's passing, but she is in a better place as I am sure you know. The WHYC was a friendlier and special place when Janice was there and we always enjoyed her company. Those WH memories are special. Having both of you in the Monday Book Club added insight into the discussions and I'm glad we had that time with Janice and you. Our best to you and all of your family and may memories keep Janice with you all forever. Fondly, Adele and Nelson
