“ Dear Maria & Dick I'am so very sorry to hear about Jason... My heart breaks for you to lose him so very young! There is nothing worse than to lose such a beloved child! You are a very special family! There was a time in my life that you were my family too. The love and support you gave me at CC&Company has always meant the world to me! I have thought of all of you often.. But just as everyone says " I couldn't find the words to say" It is hard to forget someone who gave you so much! Your memories of him will last forever! Love always, Melissa
