“ *Jeanne was my cousin and godmother. I remember when my parents used to bring me and my three siblings to Jeanne & Craig's house in Bloomfield and West Branch. She always organized a fine family gathering. It was a lot of work to host family events and to manage her large family, but for Jeanne, it was always a labor of love. She was just happy to be involved in family and family events. Prayers for Craig and their children as they adjust to this large loss.*
