“ I have known Jennie for many years. I worked with her in the EEOC Programs at Pratt for eight years. I have always considered Jennie one of my favorite friends. Jennie was so intelligent as well as being a well of down to earth knowledge which she shared with me . Each year since I left Pratt I have called Jennie on her birthday and we would talk for quite a while. Jennie and K Green took me out for a meal on more than one of my birthdays.

I enjoyed going to work at Pratt as Jennie was a big part of my work . Jennie was always willing to help me adjust to the corporate environment . In addition, Jennie enjoyed preparing for Pratt's representatives to attend the annual Dinner for the Urban League of Palm Beach. There are many good time memories I am fortunate to have regarding working with Jennie.

I lost my own Mother not too long ago so I know the emptiness of the loss of one's Mother. I offer my condolences to her loved ones. I shall miss Jennie and will always remember her with fondness and great respect to a very dear friend. God bless and comfort you.

“ *Dear Adrienne,  
I was saddened to read that your dear mother finally decided it was time to go.  
I have lots of memories of seeing you two going places together. As is the case with my mom who died 5 months ago, your mom loved you and Richard deeply and she will leave such a void in your life. I know how you will miss her. She was loved by many who knew her..she was a spunky little lady and I thought she would live forever.  
Love, Jan*

“ *AJ, I remember at work how you always talked so lovingly of your mom. No matter how old they get (mine passed away 2 years ago at 95), it is still a difficult time. it is the last connection to our childhood and now we are the eldest generation. I will keep you in my prayers during this time.*

“ Dear Adrienne! remember your Mother in my years working at Pratt & Whitney. She was always so pleasant and such a lovely person. She loved her Adrienne which was quite apparent and it was also apparent your love for your Mother. Jennie will now truly be your guardian angel. Take care my friend and God Bless you and Richard. “ Adrienne, I hope knowing that someone so special as your Mom will never be forgotten brings you comfort. Nothing I say can make this difficult time in your life any easier. After sharing 30+ years of friendship with your Mom, I know that Jennie would not want us to grieve for long; instead, she would be happier to see us smile remembering our times together. Jennie would tell us to miss her, yes, but to remember her each day with joy. Jennie loved her life, loved her family and loved her independence. She would tell us to live our lives fully, to be kind to each other, and do it today, not tomorrow. As the poem says, “Do not stand at my grave and cry; I am not there. I did not die.” Our memories will keep Jennie with us.
